## **Titans RFC Trailist Waiver**

### **PLEASE READ CAREFULLY**

I understand my child, as indicated on the Request A Free Trial form of Titans Rugby Football Club ("Titans RFC"), wants to join TitansRFC for a free rugby trial.

I understand that I am responsible for my own child at all times and that the aim of TitansRFC is for my child to participate and have fun and that I as a parent/guardian may also assist in these activities as required. Therefore, I agree to ensure that my child and the parent/guardian have suitable health insurance, which covers all injuries related to engaging in trial rugby including mouthguards for contact training.

I acknowledge that my child participating in any TitansRFC-related activities is covered by a reliable and suitable medical insurance, which covers all injuries related to engaging in rugby trials, and that it is my responsibility to ensure my child and family are covered at all times.

I understand and agree that Titans RFC, its volunteer coaches, assistants, officials, servants or agents ("Volunteers") will put in their best effort to ensure that my family will be safe. However, I acknowledge that rugby is a contact sport and my child participates at his or her own risk as do the parents/guardians.

I further agree that TitansRFC and its administrators, coaches and its Volunteers are not in any way liable to me or my family as a result of participation in TitansRFC rugby trials, including for any: (i) loss of or damage to any property, or (ii) any accidents or injuries, however, sustained, during the course of preparations, training, playing, traveling or socialising with Titans RFC members at TitansRFC venue or elsewhere connected to the club.

I acknowledge that I will inform TitansRFC of any specific medical conditions or ailments upon registration and I accept the responsibility of informing TitansRFC management.

I agree that my family, including my registered child, will comply with all policies, rules, and codes of conduct of the Singapore Rugby Union (SRU), Junior Rugby Clubs Singapore (JRCS), training/playing facility providers, and TitansRFC.

In particular, my family and I understand that smoking, drinking alcohol, or taking illegal drugs is not permitted at any place that TitansRFC trains or plays. I also understand that if my child or any person belonging to, or connected to, my family breaches any of the rules, then they may be subjected to the penalties and restrictions in the rules, including expulsion of my whole family from TitansRFC training and venue.

I accept that by registering for a free trial I am happy to share the information of the online form with TitansRFC and its Volunteers for the purpose of club administration only and I accept that TitansRFC will, as far as is reasonably practical, keep my personal information confidential within TitansRFC.
