## TITANS SHOW & TELL

# SHOW & TELL

Hi! My name is ..... and I play rugby for Titans Rugby Football Club in the..... age group. In Singapore, your age in January tells you which rugby age group you play in.

In January, I was ..... years old so that's why I'm in the ..... age group.

Titans is full of boys and girls from all around the world. It is great to train with them and I make new friends!

We train on Sunday mornings at an amazing ground that never gets muddy or dirty. We have a stadium with seating and there is a playground and a swimming pool beside it. Did I even tell you there are ice lollies for sale too?

Titans enter into tournaments and play against other kids. It's lots of fun! (talk about the last tournament/ show a medal or a trophy/ show Titans jersey/ mouthguard)

It's been great talking to all of you! Thank you!
