Titans RFC Social Media Waiver

For the purposes of the Data Protection Act 1998 and 2012 and the Rules relating to child protection, by signing up to TitansRFC trials and joining TitansRFC, I understand and agree that the club may take photographs, or make videos/DVD or webcam recordings of children in Titans RFC, either as individual players or as team groups, during the season.

TitansRFC may use these images for training purposes, on our website, in our Social Media posts and in any printed publications that we produce, or for input to other appropriate external media to promote club activities and successes, e.g., the press.

No addresses or contact details will be published, though we may give the names of individuals and age where this is necessary to the context of the item.

If you **DO NOT** want us to take or publish photographs of your child in any TitansRFC literature or platform please inform us in writing at the time of trial or membership.

Should no notice be given we believe permission has been given to use any images we may have made as described above.

Please note: It is impossible for the coaches, organizers, and managers to challenge every photographer at events or fixtures. If you do not want images of your child taken it is your responsibility to make those whom you see with cameras aware that you do not wish your child to be photographed.
